MTWTh	8/19-8/29	7:15-8:00 p.m.	SMS-pool	\$36	4715.302

The Johnston Blaze Swim Club engages in a multi-level competition program with United States Swimming that, like our training program, attempts to provide challenging, yet success-oriented competitive situations for swimmers of all ages and abilities. Anyone can become a member of the club if they have achieved level three of American Red Cross swimming lessons and can swim 25 yards unassisted. [For more information, visit the Johnston Blaze website at johnstonblaze.com.](http://johnstonblaze.com)

Private Swimming Lessons

Private lessons will be scheduled for the mornings during the week of July 15-18 (MTWTh). There will be four, 25 minute lessons for \$60. Call the pool at 986-0951 to schedule.

EARLY CHILDHOOD

Science Has Never Been So Much Fun! - Ages 3-5

What's fun, exciting, educational, and out of this world? Science, of course! Join us for a fun filled four days of science magic, mystery and mayhem. We will explore basic physics, chemistry, and biology through hands on experiences designed specifically for preschoolers. We will have four days jam packed full of educational play, socialization, and experiments! Come prepared to learn something new each day. Science has never been so much fun!

Day	Date	Time	Location	Cost	Code
MTWTh	6/24-6/27	9:00-11:30 a.m.	WAE-West	\$65	0103.301

Where the Wild Things Are - Ages 3-5

We will enjoy the book Where the Wild Things Are by Maurice Sendak, make wild things masks, do some role playing, make wild things puppets and just have a wild rumpus! We will make a wild things snack, and have some outdoor play! We will even visit a growing place like Max's room – the Des Moines Botanical Center! Join us for a wild week!

Day	Date	Time	Location	Cost	Code
MTWTh	6/10-6/13	9:00-11:30 a.m.	WAE-West	\$65	0104.301

Pond Study - Ages 4-5

Lori from Polk County Conservation will kick these days off with a visit to the pond along with nets and tubs to explore what is living in the pond. Shoes that stay on the feet are required. We will do some walking so the ability to walk the field is also required.

Day	Date	Time	Location	Cost	Code
TWTh	7/9-7/11	9:00-11:30 a.m.	WAE-West	\$50	0106.301

Outdoor Water Play - Ages 3-5

We will be outdoors getting wet! Wear clothes that can get wet! Have sunscreen on when arriving. We may be throwing water balloons, running in water, and to end the week we will have a watermelon feast!

Day	Date	Time	Location	Cost	Code
TWTh	7/9-7/11	1:00-3:00 p.m.	WAE-West	\$65	0107.301

Kids and Cooking - Ages 3-5

We will be reading stories, making snacks that relate to the stories, interacting with peers, and even have some time for some outdoor play!

Day	Date	Time	Location	Cost	Code
MTWTh	7/22-7/25	9:00-11:30 a.m.	WAE-West	\$65	0109.301

Storybook Dance - Ages 3-6

This class combines stories, nursery rhymes, music and many other exciting props to teach dance in a creatively themed atmosphere. It will broaden your child's imagination and creativity. They will learn important dance fundamentals and have a great time! Class taught by Johnston Dance Academy.

Day	Date	Time	Location	Cost	Code
MTWThF	6/10-6/14	11:00 a.m.-noon	WAE-West	\$50	0115.301

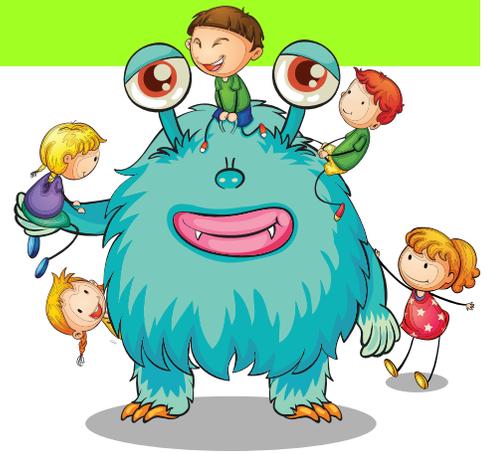

Little Masterpieces Art Camp - Ages 3-6

Children will look at art work created by well-known art masters and then create masterpieces of their own. Day 1: O'Keefe Flower Paintings on Canvas. Day 2: Paper Plate Kandinsky Printmaking. Day 3: Calder Hanging Sculptures. Day 4: Matisse Collages From Paper, Feathers and Other Fun Things. Also, on day 4 we will have a "Gallery Walk" for students and parents to see the art works created all week. All supplies included in registration fee. Instructor: Connie Pruitt, JCSD art teacher.

Day	Date	Time	Location	Cost	Code
MTWThF	6/24-6/28	9:00-11:00 a.m.	Lawson-art	\$100	0111.301

Animals in a Zoo - Ages 3-5

We will be learning about animals in a zoo, reading some stories, creating an environment that might work for them, playing some animal games, role playing and even making wild animal masks! We will conclude with a visit from Blank Park Zoo who will bring 4 animals for us to look at, pet, and ask questions!

Day	Date	Time	Location	Cost	Code
MTWTh	7/15-7/18	9:00-11:30 a.m.	WAE-West	\$65	0108.301

Artroom with the Des Moines Art Center - Ages 4-6

Artroom is designed for young children as an orientation to the visual arts and is taught by faculty from the DM Art Center. Children will work with various media including paint, collage and drawing. The class includes a field trip to the DM Art Center with a tour and parents are welcome to travel with us on the school bus.

Day	Date	Time	Location	Cost	Code

T-Ball - Ages 4-5 Boys/Girls

This league is for children 4-5 years old. This program is designed to give children the opportunity to get a feel for the game of baseball/ softball. The main purpose is to teach children to hit the ball off a "T", run the bases, to become familiar with being on the field, and most of all to have FUN! It is our hope that the league will be the first step for many children to become good ball players in the future. This is NOT a competitive league. There is NO score keeping. Every player hits in every inning. Games are held Mondays, Wednesdays & Fridays at 10:00 a.m. at the Johnston Little League Fields (Lew Clarkson Park: 7501 NW 54th Ave.-across from Timber Ridge Elementary) Teams are chosen by draw, there will be NO requesting teams. Each player will receive a t-shirt. Parents are encouraged to be with their children while at bat and on the field if needed. Please bring a ball glove and water bottle. Please DO NOT bring a bat.

Day	Date	Time	Location	Cost	Code
MWF	6/17-6/28	10:00-11:00 a.m.	Lew Clarkson Park	\$38	3011.301

Safety Town

Children entering or eligible to enter kindergarten in the fall of 2013 will learn about all aspects of safety; fire, poison, strangers, traffic, home, cars, bus, playground and more via indoor classroom and outdoor activities. Books, songs, a visit to the fire department and practice training enable children to enjoy and understand what they are learning. Online registration will begin on Monday, April 15. Phone, mail-in and walk-in registrations will begin on April 22.

Mad Science

Mad Science SIM Camp - Shocking, Illuminating and Magnetizing - Grades 2-4

This camp is about All Things ENERGY, including a sampling of alternative possibilities! Your child will extensively explore electricity, learning about magnets and electro-magnetism. The camp week will also cover the fascinating area of The Electromagnetic Wave Spectrum, covering all aspects from radio waves to infrared/visible/ultraviolet waves to gamma waves. And keep in mind we will also have great fun investigating Laser Light, Sound Waves, Energy Pollutants and how Cold is simply an absence of Heat! Please note this is not necessarily the order the topics will be delivered, as it varies according to Mad Science's scheduling needs. **Maximum 18 children.** **Early registration deadline: June 2.**

Bricks 4 Kids Junior Robotics - Ages 5-7

How would you like to create with Lego® Bricks, and program your creation with a laptop or netbook? The Bricks 4 Kidz® Junior Robotics camp offers all the building fun with Lego® Bricks, plus the challenges of computer programming. Using the WeDo software with drag and drop icons we offer an introduction into the world of computer-programming in an action packed week of fun with Lego's®. All campers take home a mini-figure at the end of the week. **Maximum 15. Early registration deadline: 6/3.**

Day	Date	Time	Location	Cost	Code
MTWThF	6/24-6/28	1:00-4:00 p.m.	HZE	\$225 early: \$202	3031.301

For sibling discount call 278-0552, code 3031.304.

Stop Motion Animation Movie Making - Ages 8-13

Lights, cameras, Lego® action! Use Lego® bricks to tell your story, complete with music, and special effects. In this unique and creative camp, students will plan, script, stage, shoot, and produce their own mini-stop motion animation movie. Working in teams, students will use Lego® components to build the set and props, then shoot their movie using a camera. The teams will then use movie making software to add special effects, titles, credits and more. The last day of camp students will have a screening to impress their family and friends. Don't miss this unique opportunity to be your own movie producer! All students will take home a mini-figure, and certificate. Their movie will be mailed to them on a DVD for enjoyment at home on their laptops or computers. **Maximum 15. Early registration deadline: 7/1.**

Inspiring creativity and inventive thinking!

Led by local educators, elementary school children are immersed into exciting, hands-on "learning disguised as fun" activities. Throughout the week, children work in teams to solve real-world challenges.

- Invent tools to explore the Earth's geology
- Discover treasure-filled caches around the world
- Take apart old appliances to see how they work; use the pieces to build a duck-chucking device
- Investigate five extremes of the natural world: heat, height, crystals, water, and cold

July 8-12, Summit Middle School, M-F, 9:00 am - 3:30 pm
For students entering grades 2-6, Director: Kate Safris

To register: 800-968-4332 or www.campinvention.org
Save \$15 if you register by May 30th, and an additional \$5 if you register online!

Presented in collaboration with the United States Patent and Trademark Office

SPORT CAMPS

Participants need to register for camps according to the grade level they will be in for the 2013-2014 school year. Deadlines are set for each camp. If you sign up after the deadline, you are not guaranteed a camp T-shirt/ball.

Boys Basketball Camp - Grades 1-12

Boys will be introduced to the basic fundamentals of shooting, passing, ball handling, offensive moves, and defense. These camps are designed to progressively teach the appropriate skills for each age group. In addition to fundamentals, team concepts for offense and defense will be taught. There is a strong emphasis on sportsmanship and positive competition. Johnston's coaching staff along with current and former varsity players will instruct the campers. All boys will receive a camp T-shirt. Boys in grades 3-10 will receive 2 T-shirts. Boys in grades 3-10 are asked to bring a sack lunch daily. Director: Bobby Sandquist

TEEN

Science Summer Camp

Jackie Sunde and Erica Whittle will teach summer science classes this summer. Mrs. Sunde is a sixth grade math and science teacher at Summit. Mrs. Sunde has taught for 34 years at Johnston and was honored as outstanding teacher of the year 2011 and Golden Apple Award Winner in 2005. Erica Whittle, Mrs. Sunde's daughter, is a certified 6-12 math and science teacher. She is presently teaching middle and high school math and science at Dallas Center-Grimes. She is in the process of getting her Masters Degree in Technology Integration. She has organized and run summer camps for the Kansas Humane Society in Wichita, Kansas. **Registration deadline: June 1**

Chemistry Camp - Grades 5-7

Discover the world of chemistry. Students will be learning through hands on experience about the basics of chemistry including physical and chemical changes and the different states of matter. These hands on activities will start with the making of Oobleck, is it a solid or is it a liquid? The week will continue on with experiencing liquid nitrogen and dry ice and basic physical and chemical changes that occur in the world around them. **Maximum 30 students.**

Day	Date	Time	Location	Cost	Code
MTWTh	6/17-6/20	8:00-10:00 a.m.	SMS-rm 104	\$110	3033.301

Creepy, Crawly Dissection - Grades 5-7

Learn about the inside and out of many different animals! Students will enjoy a new hands-on animal along with learning lab safety. Students will progress from simple dissection to more complex organisms including: starfish, crayfish, earthworms, grasshoppers, and frogs. **Maximum 30 students.**

Day	Date	Time	Location	Cost	Code
MTWTh	6/17-6/20	10:00 a.m.-noon	SMS-rm 104	\$110	3033.302

Fetal Pig Dissection - Grades 5-7

Explore the body system of a fetal pig and learn how these body systems are similar to ours. Students will be working in teams to understand how each body system works. This week will also include some health and fitness issues that concern each of our bodies. Our first day we will look at integumentary system, muscular system and progress each day with skeletal, respiratory, circulatory, nervous and digestive system. **Maximum 30 students.**

Day	Date	Time	Location	Cost	Code
MTWTh	6/24-6/27	8:00-10:00 a.m.	SMS-rm 104	\$110	3033.303

Show Choir Workshop - Grades 7-9

This workshop is designed for students entering 7th, 8th and 9th grades. Those new to the show choir stage will have a perfect opportunity to learn basic skills and those who have already participated in show choir will have the opportunity to polish their skills as well as help teach newcomers! Students will develop skills in vocal technique, basic choreography, facial expression, and personality projection. Professional choreographers and vocal instructors from the area have been hired to create an exciting and valuable experience! The workshop fee includes the cost of music, hired professional choreographer, hired vocal instructors, camp t-shirt, and pizza for the last day. A performance for family and friends will be held on Thursday June 13 at noon. Class size is limited to 65 students. PLEASE BRING A SACK LUNCH MONDAY-WEDNESDAY! Instructors: Hannah Ryan & Laura Fog

Art

Ms. Pruitt has taught art and ELP for 30 years. She currently teaches 6th and 7th grade Art at Summit. She holds a Masters Degree in Art Education and is a Certified Art Therapist. She also has a home art studio where she does her freelance artwork, including mixed media paintings.

Play with Clay - Grades 6 & Up

Discover the whimsical world of working with clay. From hand built pottery such as coil, slab and pinch pots, to mosaics, tiles and clay figurines, students can create anything they want. Techniques for painting pottery, as well as glazing projects to be kiln fired will also be explored. Projects will be fired and ready for pick up the week of June 17.

Day	Date	Time	Location	Cost	Code
MTWThF	6/3-6/7	8:30-10:00 a.m.	SMS-art rm	\$90	3030.301

Clay Mask Making - Grades 6 & Up

Design your own mask! Using clay, you can make masks that will be painted and decorated with feathers, beads and other found objects. Masks from many cultures will be explored. The final day, you will have the option of presenting your mask to the group in the form of a short skit.

Day	Date	Time	Location	Cost	Code
MTWThF	6/3-6/7	10:30 a.m.-noon	SMS-art rm	\$90	3024.302

Paper Mache and All That Fun! - Grades 6 & Up

What is better than making art that is functional as well as beautiful? In this week we work sculpturally using paper maché and more to build decorative and useful works of art. We will use found objects as well as feathers, wire, beads and glitter to decorate them.

Day	Date	Time	Location	Cost	Code
MTWThF	6/3-6/7	12:30 -2:00 p.m.	SMS-art rm	\$90	3024.303

Drawing and Painting - Grades 6 & Up

This class covers it all. From drawing with pencil, color pencil and charcoal to pastel chalk, oil pastel and acrylic and watercolor paints. This class lets you dive into your creative side by drawing all kinds of things! Mrs. Pruitt will show you some cool 3-D drawing tips!

Day	Date	Time	Location	Cost	Code
MTWThF	6/10-6/14	8:30-10:00 a.m.	SMS-art rm	\$90	3024.304

Paint! Paint! Paste! - Grades 6 & Up

Create an acrylic painting on canvas and turn it into a mixed media masterpiece! Explore the many techniques used in painting with acrylics. Apply scrapbooking papers, fabrics, photos and more to create a one-of-a-kind work of art! Inspiration will come from masters such as Matisse and Picasso. Mrs. Pruitt will also show the techniques she uses in her own free-lance mixed media artwork.

Day	Date	Time	Location	Cost	Code
MTWThF	6/10-6/14	10:30 a.m.-noon	SMS-art rm	\$90	3024.305

Printing & Card Making - Grades 6 & Up

Students will do relief printing, monoprints and stamping using a variety of techniques and papers. Students will have the option of printing on card stock to create greeting cards. Parents love this class because they can use the cards throughout the year.

Day	Date	Time	Location	Cost	Code
MTWThF	6/10-6/14	12:30 -2:00 p.m.	SMS-art rm	\$90	3024.306

Open Studio - Grades 6 & Up

The sky is the limit with materials and ideas! Choose from a wide variety of art materials such as paint, canvas, sculpture pieces, fabric art and much more to create many projects!

Day	Date	Time	Location	Cost	Code
MTWThF	6/17-6/21	8:30 -10:00 a.m.	SMS-art rm	\$90	3024.307

Digital Photography Class - Grades 6 & Up

Students are asked to bring their own camera. We will learn the elements of design used in taking photographs both inside and outside, including an alphabet scavenger hunt.

Day	Date	Time	Location	Cost	Code
MTWThF	6/17-6/21	10:00 a.m.-noon	SMS-art rm	\$90	3024.308

Tie-Dye - Grades 6 & Up

What would summer be without tie-dyeing! You will experiment with tie-dye techniques along with other fabric decorating tips. Adorn your art work with beads and bling! We will learn to make pillows from one of our tie-dyed masterpieces. Participants are asked to bring at least one t-shirt to tie-dye. Everything else will be supplied including lots of fabric to dye, pillow stuffing, etc.

MTWThF	6/17-6/21	12:30 -2:00 p.m.	SMS-art rm	\$90	3024.309

Teens in Action

This program is designed specifically for teens to get involved with their surrounding community and make a difference! Each morning we will be going out into the community to focus on various projects around the area. We will do service type projects such as cleaning up parks, schools, working with area nursing homes, libraries, and a variety of other projects. Then in the afternoon its time for fun! After a sack lunch provided by you, we will have fun at water parks, mini-golfing, bowling, field trips, and other activities. Come and join us and get involved! Please note that there are 2 sessions of this program. You may sign up for both, but be aware some activities and projects may be duplicated. This is for teens going into grade 6-8. Limit of 20 kids each session.

Johnston SAS Summer Fun Camps-Grades 6 and 7

The hours of the camp will be from 6:30 a.m. until 6:00 p.m. daily and located at Wallace Elementary. The participants will be involved with one of two camps offered each week. Each camp will be held from about 9:15 a.m. until about 11:15 a.m.

We will be offering the camps for all twelve weeks (May 28 through August 9) of the 2013 summer, although we will be closed on May 27 (Memorial Day) and July 4. Participants will need to be registered weekly online by the Wednesday before the camp begins in order to be enrolled.

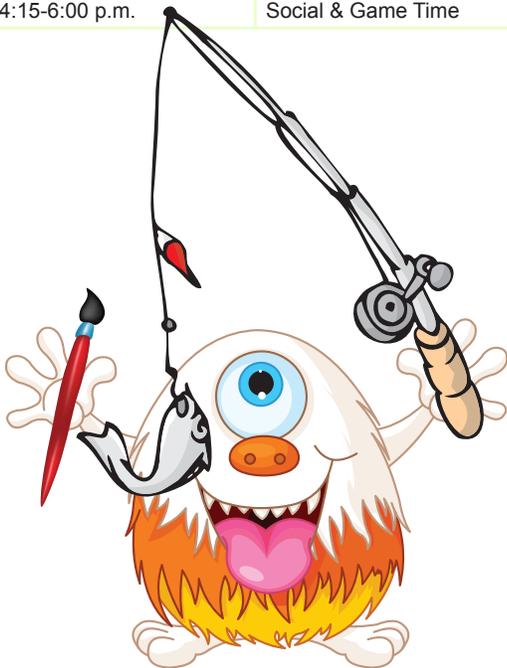

There will be a limit of 25 participants per camp and a minimum of 8 participants needed in order to offer a camp. There will not be any refunds or prorating of a camp. If a camp is cancelled due to enrollment numbers, parents will be notified and an alternative activity will be offered. In addition to the camp activities, the participants will go on 3-4 fieldtrips each week, with one fieldtrip being for lunch and 1-2 swimming fieldtrips each week.

Differences from the KTC program: Participants need to register online, (through Active Net not RevTrak). There is not a registration fee, there is only a weekly rate. The activities will revolve around the participants' maturity levels.

Daily Schedule

Johnston Green Days 2013

17th Anniversary

www.johnstongreendays.org

Green Days is an annual community celebration held in Johnston, Iowa, next to the Johnston Public Library. The 2013 festival will be held June 13-16. The full schedule of events can be found at johnstongreendays.org.

When the event was started in 1996, it focused on Johnston's agricultural and horticultural tradition. The Chamber worked with Johnston's many nursery and greenhouse operations, local garden clubs and other groups, to start this tradition - and helped it grow to be one of Iowa's leading summer festivals.

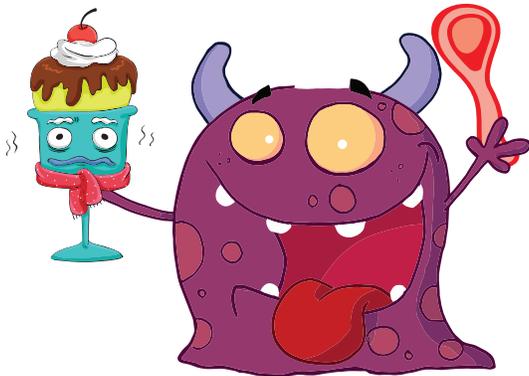

Today, the Green Days activities include a parade, carnival, children's activities, entertainment in the beverage garden, rib cook-off contest, Bill Riley Talent Search, Classic Car Show, 5K walk and run and much more!

Green Days is organized by the Johnston Chamber of Commerce.

ADMISSION IS FREE!

“Like” Johnston Community Education on Facebook to get announcements and updates.

SUNDAE IN THE PARK

FREE ice cream sundaes and music by Wade Krieg and Ron Kennebeck. Bring your blanket or lawn chairs. Sponsored by Johnston Community Education (JCE) and the JCE Resource Council.

J.D.'s Great Summer Adventure

J.D., the Dragon mascot for the Johnston Community School District, will be taking off again this summer throughout the city of Johnston. Our problem—we just don't know where J.D. is planning to go. Johnston Community Education would really like to find J.D. as J.D. is suppose to be helping out the city and school this summer. Can you help us find J.D.? J.D. has a website blog, Facebook page and Twitter account. The website/Facebook will show where J.D. has been and provides a photo of a J.D. sighting from within the community. J.D. may also send "tweets" with hints and other information that may help in his whereabouts. Help us find J.D. this summer and your family will be entered into a drawing to win a prize.

Each week a photo will be placed on the website and Facebook page about the latest sighting of J.D. Every family team that correctly identified J.D.'s location will result in a ticket being added to the drawing. The number of tickets that your team receives each week you participate will depend upon how you identify the location. Bonus tickets will also be available.

J.D. plans to be at the Jazz in July event at 5 p.m. on July 21 at the Johnston Public Library at which time the drawing will be held for prizes. Teams do not need to be present to win.

[Website to help you find J.D.](http://wheresjd.wordpress.com/)
<http://wheresjd.wordpress.com/>

For more information contact
JCE at 278-0552 or the Johnston Public Library at 278-5233.

Sponsored by Johnston Community Education, Johnston Parks Department, Johnston Police Department and Johnston Public Library.

Rules

A team is a family from one household. Should be at least one adult and one child.

All entries must be received, by email or in person, by 12:00 Noon CDT, each Tuesday for the prior week. (Example Week 1 entry is due by noon on Tuesday, June 4)

New photos of J.D.'s location will be posted at noon each Tuesday.

All entries, including photographs, become the property of the City of Johnston. Participation provides the City of Johnston the permission to use photos and names to promote "J.D.'s Great Summer Adventure" via electronic and print media and/or for local media coverage.

How to submit J.D.'s location

Option 1: Email your answer for J.D.'s location to jdinjohnston@gmail.com; correct answers earn one team entry into the prize drawing. Entry must include the subject line "J.D.'s Great Summer Adventure" and include your team name, address, phone number and the specific location of J.D. for that week.

Option 2: Have your (at least one member of the team in photo) picture (1mb or less) taken in the exact location as J.D. is in photo and email it to us at jdinjohnston@gmail.com and earn five team entries into the prize drawing per week, per team.

Option 3: Take your answer and/or your photos, and deliver them in person to the Johnston public Library (J.D.'s drop box) to receive the appropriate number of entries (answer 1 ticket/photo 5 tickets). Forms will be available from library staff.

DIG Into Reading

this summer at the Johnston Public Library

Be watching for more details in summer calendars to be sent home with students in May, call the library at 515-278-5233, or see our website:

Top 5 Crime Prevention Tips

1. Keep Your Overhead Garage Doors Closed Whenever You Are Going To Be Out Of Immediate Sight Of Your Garage.
2. Lock Your Vehicle And Remove All Valuable Property From It Whenever Your Vehicle Is Going To Be Left Unattended For Any Period Of Time.
3. Avoid Placing Outgoing Mail In Your Residential Mailbox And Remove The Incoming Mail From Your Mailbox As Soon As Possible.
4. Keep Your Purse With You At All Times When You Are Out. Avoid Leaving It In A Car, On The Ground, In A Neighboring Seat Or Hanging On The Back Of A Chair.
5. Never Respond To An Unsolicited Phone Call Or Email Requesting Personal Or Financial Information Until You Have Confirmed The Requesting Party Is Legitimate.

Johnston Neighborhood Watch Program

Neighborhood Watch is one of the oldest and most effective crime prevention programs in the country, bringing citizens and neighbors together to deter crime and safeguard communities with the goal of preventing crime before it happens. On any given day, and often without warning, you are subjected to varying levels of criminal activity taking place directly within your own community. The Johnston Neighborhood Watch program is about neighbors helping neighbors and partnering directly with the Johnston Police Department where you will be provided with the knowledge on how you can make yourself and your community safer. The Johnston Police Department meets regularly with neighborhood watch groups to answer questions, discuss current crime trends, and provide training and information on Crime Prevention, Home Security and other topics of particular interest to your group. For more information about the Johnston Neighborhood Watch Program or on how to organize one in your neighborhood, contact Sgt. Eric Spring at (515)252-1372 or espring@cityofjohnston.com. Contact the Johnston Police Department for more information on these and many other safety and crime prevention tips!

Youth clinics will emphasize the skills of competitive volleyball and team play. Skills covered will include passing, setting, attacking, serving, rotation and rules. The clinics will focus on improving all skills and new skills will be introduced that will help you play at a higher level. All clinic instructors are very experienced and include coaches from around the metro, which include some current and former college players. Many are associated with the Johnston Volleyball Club.
