NOTES TO USERS

For information and questions about this map, available products associated with this FIRM including the FIS Report, please visit the FEMA Map Information eXchange (MIX) at <http://www.fema.gov/mix>. Please call the FEMA Map Information eXchange at 1-877-FEMA-MAP (1-877-362-7272) or visit the FEMA Map Information eXchange website at <http://www.fema.gov/mix>. Available products may include: previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products are available on the FEMA Map Information eXchange website. For more information on the FIS Report, please visit the FEMA Map Information eXchange website. Communities seeking flood hazard information for their community must obtain a current copy of the FIS Report as well as the current FIRM Index. These may be ordered directly from the Map Service Center at the number listed above.

For community and countywide map dates refer to the Flood Insurance Study report for this jurisdiction. To determine if flood insurance is available in the community, contact your insurance agent or call the National Flood Insurance Program at 1-800-368-5620.

Base map information shown on this FIRM was provided in digital format by the United States Department of Agriculture (USDA). This information was derived from digital orthophotography at a 1-meter resolution from photography taken 2011.
